Building a Solid Foundation for Musical Excellence

ENDORSED BY: Director of Bands, Mr. Timothy Green

About Broadmoor High

Since 1960, Broadmoor Senior High School has come to symbolize and exemplify excellence in public school education. Today, Broadmoor High offers a truly unique learning environment. Students are surrounded by possibility and opportunity in many diverse areas – academia, sport, culture, international experiences and community responsibility.

Our great strengths are the partnerships we forge between students, staff, parents and the wider community. These partnerships enable us to build on the strengths of tradition and performance and to live out our values and our commitment to the provision of a world class education for every student.

We are delighted to be able to share our school with you and make you a part of the Broadmoor High family.

About Our Band Parents Booster Club

We believe in what our children have the ability to become. As parents, we understand the need to create an environment conducive for creative expression through the music program that has been ongoing at the Broadmoor Senior High School. Our primary goal for the booster club is to enhance the educational experience afforded to our children through music in a way that enables them to become proficient in the best ways possible.

Why Sponsor?

To meet the needs of a developing and progressive school to expand their marching band, Broadmoor High relies heavily on the support of the wider community. Broadmoor High has introduced School Sponsors in order to complement the funds raised by the Broadmoor High Foundation to provide facilities and equipment which enhance the delivery of education and assist students to reach their potential.

Benefits of Sponsorship

Four sponsorship levels are available with a variety of opportunities ranging from \$5,000 to \$500.

Your Sponsorship Opportunity

- Exposure to a school community of over 900 students and their families and over thousands of past students.
- Extensive brand awareness.
- Recognition of the partnership between your company and Broadmoor High.
- Capacity to advertise your business and an opportunity to increase revenue possibilities.
- Opportunity to assist Broadmoor Senior High Boomin Bucs Marching Band students to achieve their potential through funding for equipment and scholarships.

Where does my contribution go?

Each year the money donated from sponsors aid in the following ways:

- Scholarship Fund - At the end of the academic school year, funds allocated towards this goal are totaled and distributed in various scholarships to our graduating seniors
- Summer Camps - During the summer, students who are entering their junior and senior academic school year are encouraged to participate in summer band camps on a collegiate level throughout the country. Funds allocated towards this goal will aid the incoming junior and seniors in covering all or a portion of the fees associated with the chosen summer band camp program.
- Marching Band Uniforms - As of right now, our students do not have the proper marching band attire needed to qualify for certain competitions and performances. Neither are they equipped with the gear needed to brave the weather changes in the different seasons. The funds allocated towards this goal will aid in the purchase of new band uniforms, wind suits for the fall and suits for the winter as well as transitioning pieces for concert performances.
- Instrument Maintenance & Replacement - As students use the instruments to learn, enhance their skills and performance, the instruments begin to show signs of wear and tear. Funds allocated towards this goal will aid in the routine upkeep of the instruments to ensure longevity and replacements as necessary.

For more information on the reach and goal levels for each of the above named categories, please contact us using the information provided below.
